Web Pages:

The screenshot shows the sign-up form of the Homify App. The browser's address bar displays the file path: `D:/SD/Homify%20grp-B%20front%20end/form.html`. The form is titled 'Sign-up Form' and is set against a background image of a computer keyboard. The form contains the following fields and elements:

- First Name:** A text input field with the placeholder text 'Your Name'.
- Last Name:** A text input field with the placeholder text 'Your Last Name'.
- Email:** A text input field with the placeholder text 'Your email'.
- create username:** A text input field with the placeholder text 'give username'.
- create password:** A text input field with the placeholder text 'create password'.
- submit:** A blue button with the text 'submit'.
